## ALIENTO

### WEEK I CHALLENGE: THE MASTER SUITE

On this week's episode of **"Rock The Block"** on HGTV, we saw the all-female design crew battle it out in a redesign of the master suites in four Aliento homes.

Designers Alison Victoria, Jasmine Roth, Mina Starsiak Hawk and Leanne Ford all opted for a stylish stand-alone tub and beautiful vanity mirrors in the master bath. Two of them also added a convenient pass-through door leading from the master closet to the laundry room.

Overall, the designers added tremendous value to the homes by upgrading the master suites.

Love the look? Add your own stand-alone tub, pass-through door, board and batten accent wall, sophisticated mirrors and more to your new home at Aliento. **All of these attractive design features are available options through our Design Studio.**
