ALIENTO

WEEK 2 CHALLENGE: THE KITCHEN

The competition is heating up on HGTV's "Rock The Block"! This week, the four female designers set out to redesign the kitchens at four Aliento homes.

The designers, Alison Victoria, Jasmine Roth, Mina Starsiak Hawk and Leanne Ford, concentrated on adding value with striking backsplashes, elegant islands and upgraded appliances. Some added unexpected details such as glass cabinetry, a repurposed barn door in the pantry, a built-in espresso machine and a grout-washed stone wall.

Jasmine Roth's kitchen features the original kitchen countertop, which is one of many designer features that are available at Aliento. And all four designers utilized the existing cabinets, adding special touches to make them stand out. You can create a "Rock The Block"-style kitchen with different cabinet options in our Design Studio.

If you missed the Kitchen Challenge, you can stream “Rock The Block” on demand on HGTV [here](#), or tune in on Monday nights at 6 p.m. PST.
